## Storefront Studio

***22000 Willamette Drive, Suite 106 (Next to FedEx & Elements)***

Join us at a storefront studio to provide input for the Arch Bridge/Bolton town center master planning project. The storefront studio will be open all day for you, your friends, and family to stop by; and you can also attend one or both of the evening workshops.

Share your ideas on how we can develop this part of West Linn into an amazing place that captures the **heart** of our city.
